# 2021-22 CHEER PROGRAMS

## Welcome to Royal City!

Thank you for being a part of the best cheer family!

**PROUDLY  
ENTERING OUR  
7<sup>th</sup> SEASON!**

*#royalfamily*

## FAMILY FOCUS #royalfamily

We pride ourselves on our family environment. Our gym is not just for the kids! We welcome the whole family! Be sure to keep in touch with your team mom, get involved by volunteering and attend all events possible to get the full experience!

## CELS PROGRAM (Youth Leadership)

We believe in the power of leadership to help guide youth in their path. Our Career Experience and Life Skills program is a volunteer hands on learning outlet for our members. All of our young staff started in CELS. Whether it is through Junior Coaching, site maintenance, office assistance, or related work, we give it to them here! Ask Nicole for an application.

## COMMUNICATION TOOL (Calendar, and info sharing)

We use the **BAND** app to communicate with members / staff / coaches and to share information like pictures, events, and closures. Links sent after registration is completed online.

## EVENTS, VOLUNTEERING, FUNDRAISING

RC hosts events throughout the year such as: Showcase/Socials, Pub Nights, Year End Awards Night. All Star and Prep families are required to participate. Our cheer coordinator tracks efforts made by each family to fairness. Buyout options will be available for families who do not wish to participate. More information will be provided by your team moms as the season progresses. Additional team specific fundraising can be held to offset costs of travel etc.

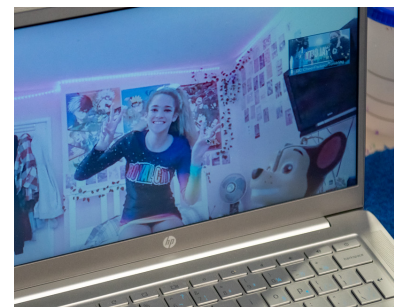

## PARTICIPATION, SAFETY, ETIQUETTE

All athletes and parents are expected to review and sign a participation, safety, and etiquette contract annually. These will be available online. You will find they include handling injuries/illness, communication, expectations, attendance and participation, and general sportsmanship and etiquette.

## COVID - HOW DOES CHEER WORK DURING THIS TIME?

We have extraordinary measures to support the safety of our members during training in our facility. When an athlete cannot attend in person, they often can attend online in lieu! See our current protocol on our website and be sure to stay in the know as RC rules are unique and *more* strict than schools and other sports. Adaptations will be made based on the success of the provincial sport plan, local approvals, and our club requirements. We have kept unpredictable costs out of the fees for now, such as competition fees, and will communicate and add those costs onto accounts as they come up. When in person competitions can not take place, we attend virtually with in house filming dates at the gym. Members will be kept informed via BAND of updates.

The whole day of competitions needs to be blocked to attend competing times, awards, grand champ awards, and cheering on other members of RC. All final details are communicated on the BAND app. Competitions that are unable to be held in person will be virtual.

Team spirit is VERY important at RC. We will provide a schedule of time to arrive, compete, and also to stay and cheer on other RC teams or teams that need support.
