

# 2021-22 ALL STAR CHEER

## Welcome to the 2021/22 ALL STAR Season!

Thank you for being a part of the best cheer family!

Everything is constantly changing with the global situation.

This **package** will be updated regularly and will be re-shared on Band.

## PROUDLY ENTERING OUR 7th SEASON!

*#royalfamily*

Our club strives for a co-operative, positive, family environment. Athletes at Royal City have an opportunity to shine. You won't believe the transformation a year will bring! We value working with our youth to develop social and emotional skills like respect, teamwork, trust, leadership, commitment, mental toughness, punctuality, responsibility, resilience, and independence.

### FAMILY FOCUS *#royalfamily*

We pride ourselves on our family environment. Our gym is not just for the kids! We welcome the whole family! Be sure to keep in touch with your team mom, get involved by volunteering and attend all events possible to get the full experience!

### CELS PROGRAM (Youth Leadership)

We believe in the power of leadership to help guide youth in their path. Our Career Experience and Life Skills program is a volunteer hands on learning outlet for our members. All of our young staff started in CELS. Whether it is through Junior Coaching, site maintenance, office assistance, or related work, we give it to them here! Ask Nicole for an application.

## COMMUNICATION TOOL (Calendar, and info sharing)

We use the **BAND** app to communicate with members / staff / coaches and to share information like pictures, events, and closures. Links sent after registration is completed online.

## EVENTS, VOLUNTEERING, FUNDRAISING

RC hosts events throughout the year such as: Showcase/Socials, Pub Nights, Year End Awards Night. All Star and Prep families are required to participate. Our cheer coordinator tracks efforts made by each family to fairness. Buyout options will be available for families who do not wish to participate. More information will be provided by your team moms as the season progresses. Additional team specific fundraising can be held to offset costs of travel etc.

## PARTICIPATION, SAFETY, ETIQUETTE

All athletes and parents are expected to review and sign a participation, safety, and etiquette contract annually. These will be available online. You will find they include handling injuries/illness, communication, expectations, attendance and participation, and general sportsmanship and etiquette.
